More info...

As part of the summer reading program of the Elbert County Library District, Container Gardening with Master Gardeners will be presented to children, grades kindergarten through fifth. Presentations will be at the following Elbert County Library locations:

### Gardening Tips Can Extend the Life of Your Cut Flowers (First Coast News)

JACKSONVILLE, FL ---- If you love flowers but hate the idea of gardening in the Florida heat, you may want to try bringing some of the bright buds inside your home. If you don't have exactly have a "green thumb," Rose Jackson of Anything With Flowers has a few tips to try.
